

Dear Family, Friends and Supporters of Music, and the Performing Arts,

We are reaching out to you on behalf of NorCal Academy of Performing Arts (NAPA), which will be hosting its first cultural event on June 8, 2019! We are excited to present, "Philippine Masterpieces" and "Serye at Sayaw", a special concert showcasing a unique cultivation of music and dance inspired by Philippine-American culture, history and heritage. For this event, we are excited and happy to inform you that we have collaborated with another 'sister' in the non-profit sector, the Philippine Ballet Theater, which also enables disadvantaged youth to hone their talents by providing scholarships, free education/instruction, meaningful experiences in performance and most of all, an access to a more empowered future. The theme of this event beautifully brings crescendo to the entire bay area's Philippine Independence Day (June 12) festivities.

We realize the many demands on your kindness, but we hope you consider our request for your help, especially now when the need is great. With generous donors like you, NAPA continues to thrive and provide more for the youth, otherwise unable to afford these experiences. It also continues to deliver the needed aspects of cultural activities in our communities. The funds we hope to raise for this event will cover the costs of our production from instruction, administration and venue fees, required technical crew, sound and lighting, graphics and promotional materials. Your generous donations and sponsorships will be prominently acknowledged in our program. Also, the opportunity to reach this targeted audience to promote you and your business is made possible by the numerous opportunities listed on the attached pages.

We are truly thankful to all our sponsors and hope to count on your generosity to help support our mission. It has been a privilege to serve our communities for more than a decade. Attached is a donation and sponsorship packet. Kindly complete it and return to NAPA by April 30, 2019. We look forward to your favorable response!

Yours Sincerely,
